SADD PARENT NIGHT—NOVEMBER 14th

SADD-Students Against Destructive Decisions.

SADD was created help young people say "No" to drinking and driving. Today, the mission has expanded. Students say that positive peer pressure, role modeling and environmental strategies can prevent other destructive decisions and set a healthier, safer course for their lives. And that is why SADD has become a peer-to-peer education, prevention, and activism organization dedicated to preventing destructive decisions, particularly underage drinking, other drug use, risky and impaired driving, teen violence, and teen suicide.

Please join us for a SADD Parent Night on November 14th at 4:45 p.m. All students and parents are welcome!
