## REMINDERS

Parents,

Please remember to pick up your scholars report card in the front office. There is important information regarding grades, credits, graduation, and enrollment for next year along with report cards. Also, if your child has not already done so, please remind them that Exhibitions are a Graduation requirement and they must be completed.

Thank you!

## Make-up TESTING

We have begun our Winter NWEA make-up testing which will continue through next week. Scholars who did not take the NWEA before winter break will be taking it. The purpose of the NWEA is to establish where each individual student is since the beginning of the school year. From there, teachers will look at individual goals with each scholar and the growth they are making this year.

## Lions Basketball Highlights

Last week the girls basketball team got their FIRST win on Saturday vs. South Bend Career Academy with Julia Perry scoring a whopping 20 points. The boys JV and varsity team both registered victories on Saturday as well with big scoring games from Davon Dillard and Thomas Smith.
