*We prepare our students for college through a rigorous arts-infused*

## Preparations for Winter

Greetings ECLCS families!

Today is the first day that really speaks to the fact that winter is almost here! Gloves, coats, hats, and scarves were worn by many students as they arrived at school today.

We all know that winter here in Northwest Indiana means snow and ice. The school is preparing now to ensure that we can communicate with all families in case of a snow day or early release day due to weather. Please update your emergency contact information in the main office if your address or phone numbers have changed. This is really important for your primary phone number. We will use our automatic calling system to notify families of changes to schedule due to weather. We won't want students to accidentally arrive at school

when we are closed.

Another preparation for winter is to make sure you have some good reading books in the house. Reading is a great activity for those snowy days when you can't go anywhere and it's too cold to play in the snow. Our Book Fair is open next week each school day. In addition, our Family Arts and Reading Night is next Thursday, November 17th, from 5:00-6:30. The Book Fair will be open then too. We hope to see everyone next Thursday night!!

SHINE ON!

Mrs. Ivy Wendell

## Heard Around Campus

- Tupperware Fundraiser! We are in the midst of our Tupperware Fundraiser. Each scholar should have received a flyer in last week's Friday folders with the items that are for sale. The school receives 40% of the sales from each item. Please purchase your Tupperware today. If you have any questions, see Ms. Jimenez or Ms. Guadarrama in the main office.
- Second Quarter Progress Reports are coming! Second Quarter Progress Reports will be sent home on Friday, November 18th. Please discuss your child's grades with them once you have this important report. See your child's teacher with any questions or concerns you have about grades or comments.
- SES Tutoring will begin here at ECLCS on Tuesday, November 15th. Approximately 30 students from kindergarten through ninth grade will receive free afterschool tutoring at ECLCS on Tuesdays and Thursdays. Students who were not selected to receive free tutoring will receive notification and information for reduced-price tutoring from Mrs. Segarra Hansen soon.
- Fundraising efforts are underway at ECLCS. We have extended the dates of our Tupperware fundraiser and will be sending out information about our school raffle soon. Remember that all fundraising money goes towards our school field trip funds.
