## Suggested places to purchase supplies

- WAL-MART! You will always find back-to-school deals at Wal-Mart beginning in late July. Crayons will be about 24¢ a pack, notebooks about 10¢ each, folders 5¢...shop early because they will sell out! Best of all, Wal-Mart will many times match the prices of Staples and Office Depot if you take them the ad.
- Staples—Staples begins back-to-school sales in mid-July. They will sell paper, pencils, crayons, and glue for 1¢ each (but quantities are limited). The Staples ad arrives in Sunday papers.
- Office Depot—Office Depot will begin back-to-school sales in mid-July and offers 1¢ and 5¢ sales. Office Depot also gives 5% of your sales back to the school in rebates.
- Target—Target begins back-to-school sales in mid-July. While not as deep discounted as the others, they will be competitive, you just have to check the ads!
- Meijer—Meijer is a GREAT place to purchase school supplies AND uniform pants/skirts! They stay very competitive with Target.
