

A Message from the Principal

September 22, 2011

Mrs. Auten and her fifth grade scholars learning to use a protractor

Mrs. Bowman's second grade scholars are working hard in their centers.

PARENT ACCESS

Last week, you should have received a parent login for you to access your child's grades. Teachers are extremely excited about this feature because it allows them to better communicate the progress of their students. As the first quarter comes to an end, we have seen tremendous growth from most of our students, but there is still a lot of work to be done. If you have any difficulty or questions accessing this information, please contact your child's teacher immediately.

CHECKS

Effective immediately, ILCS will no longer be able to accept personal checks. All payments must be made in the form of cash or a money order. We apologize for any inconvenience that this may cause, however in order to remain in the positive with our accounts, we must make this change. All checks that have been previously accepted will be cashed by the end of this week.

ATTENDANCE AND TARDIES

Thanks to all of you who have made an effort to get your students to school each and every day on time. It has truly made it easier to get instruction started in a timely fashion. Please be reminded that our doors open for students no earlier than 7:40 a.m. and that breakfasts ends at 8:10 a.m. Students arriving after 8:15 are considered tardy. Please refer to your Family Handbook regarding additional consequences relating to those who accumulate 3+ tardies or early dismissals.
