

Indianapolis Lighthouse Charter School

July 8, 2011

Greetings!

On behalf of the entire staff I would like to welcome you and your scholar(s) to Indianapolis Lighthouse Charter School for the upcoming 2011-12 school year. We have been working hard to ensure your child has the best academic experience possible here. Along with a new coat of paint, our instructional and cultural practices have been reflected upon and revised to best meet the needs of each and every one of our scholars. Last year's data indicates that once again our scholars SHINED academically and we are anticipating another successful year of academic growth.

Please make note of the following items so that this year starts off as smoothly as we have planned:

- ALL scholars new to ILCS must have completed enrollment packets in no later than July 20th (the application alone does not guarantee a spot)
 - We have received several returned-to-sender due to inaccurate addresses. If you have not completed this packet, please contact the school immediately.
- ALL returning scholars must have all enrollment documents and contact information updated as well as a re-enrollment form on file in the main office.
- "Back to School Night" is August 1st from 5pm-7pm
 - Free haircuts will be given from 2pm-5pm. This will be on a first come, first serve basis. Only those students who are fully enrolled, with completed packets will be permitted
 - Families should enter through the cafeteria to receive information on your child's teacher, classroom and supplies.
- ALL students must be in full uniform on the first day of school, August 3rd.
 - To prevent the possibility of a long wait, parents are encouraged to pre-order their shirts NOW. We will have them available for pick-up July 25th-28th.
 - The parent coordinator will be taking pre-orders daily between 8am-12pm prior to pick-up

Grade level teachers will be sending out an additional mailing prior to the start of school that will introduce themselves and provide additional information regarding their classrooms/ procedures, etc. Until that time, if you have any questions regarding your child's enrollment or about the school, please feel free to contact us at 317-351-1534.

We appreciate the opportunity to serve you and your child and are looking forward to a very successful school year.

Sincerely,

Kelli B. Marshall, Principal

We prepare our students for college through a rigorous arts-infused program.
