We prepare our students for college through a rigorous arts-infused

Upcoming Events

Greetings ECLCS families!

There are many important and exciting events in the coming weeks at ECLCS. I wanted to ensure that everyone was aware of all of the events here at school.

First, our January Town Hall Meeting is next Tuesday, January 31st, at 3:00. We'll be celebrating SHINE scholars, our SHINE trait of the month, and learning about Peter, Paul, and Mary from University of Notre Dame.

Next Tuesday evening is our next Parent Advisory Board meeting here at ECLCS. The meeting starts at 5:00. This is a venue for parents to hear about the current progress of the school, ask questions, voice concerns, and share ideas for how we can im-

prove ECLCS.

On Friday, February 3rd, we have our next Jeans and College T-Shirt Day. Scholars are encouraged to wear college t-shirts and jeans for \$1.00. All proceeds go to field trips.

We also have our third annual ECLSC talent show on Thursday, February 9th! Try-outs were this week and there are many impressive acts. There will be scholars who can sing, dance, act, and much, much more! The teachers will even be making an appearance!

Finally, we encourage you to join in the daily life at ECLCS. Please come visit your child's classroom or volunteer. We'll see you soon!

SHINE ON!

Mrs. Ivy Wendell

Heard Around Campus

- Mark your calendars for Friday, March 16th. This date was originally a day off for students. Due to our missed school on Monday, December 12th for the water issues in East Chicago, we will be holding school on March 16th. **Again, there is school for all scholars on Friday, March 16th.**
- Many scholars have already sold over 20 raffle tickets! All 4th-6th grade scholars are selling raffle tickets to help fund day and overnight field trips. The tickets are \$5.00 each and prizes include a digital camera, video camera, a Kindle, and an Apple iPad2. Make sure you buy your tickets soon! The first drawing was today and we will have three more drawings on the next two Fridays. See Mr. Pittman if you have any questions!
- Did you pick up your scholar's 2nd quarter report cards? If not, please call the main office at 219-378-7450. Call and set up an appointment to meet with your child's teacher and get their report cards as soon as possible. It's important for all families to understand how their children are progressing!
- Our fourth grade scholars are about to begin participating in an exciting collaborative project with an environmental clean-up project at the Roxana Marsh. Scholars will get a chance to plant seeds at school, watch them grow, and then go plant them at the marsh. They'll also hear from many guest speakers!
