We prepare our students for college through a rigorous arts-infused program.

STUDENT, FAMILY, AND STAFF SUPPORT AT FIRST BASKETBALL GAME OF THE SEASON

On Tuesday, November 28, 2011, the West Gary CPA Boys Basketball team made an excellent showing against Highland High School. In their first game, in their facility at Hudson Campbell Complex, the boys beat Highland handily 73-44.

What made the game exciting was not just the boys skill on the court, but the number of fan support that came out for the first game. The stands were filled with parents, students, and staff members. Special thanks to Jamila Newman, Regional Director, who also came out to enjoy the game.

SCHOOL CONNECTIONS VISIT: WEDNESDAY, NOVEMBER 30TH.

CPA will be visited by the Education Team from the Lighthouse home office in Framingham, Massachusetts on Wednesday. They will visit classrooms, meet with students, and discuss ways that the CPA has grown, but also ways that we can make improvements to really maximize on the mission and vision of our charter network. We are really excited about this visit, because it gives us a chance to reflect and grow as a school.

REMINDER: SEMESTER EXHIBITIONS: SEEKING JUDGES

As you may know, students are required to present on a project every semester. In our first year, we had innovative displays and debates, and this year we are setting the bar even higher for students to reflect on the CPA Core Competencies in everything that they do.

On December 14th, 9th grade scholars will present in a fair style format, their hopes and dreams, career choice, and college choice. They have to setup this information on a poster board, and be prepared to ask questions about themselves, the core competencies, and their future choices.

On December 15th, 10th grade will be creating service learning projects. In teams of no more than three, students this semester will re-
