We prepare our students for college through a rigorous arts-infused program.

Hello West Gary Families,

This week marks the halfway point in the 2nd quarter, which is hard to believe. As such, progress reports are being sent home this Thursday. I know many of you are in constant communication with your scholar's teacher(s), but this is another way to see if they are truly on track to doing what it takes to get ready for college. Please review it with your scholar and talk to their teacher if there is an issue. We all want your scholar to be successful!

Have a great week!

News & Announcements

- ⇒ There will be a mandatory parent meeting for 5th and 6th grade parents of those students who have received a referral this year. There is one at **5pm Thursday and 9am Friday**. Please make sure you are in attendance at one of these as students will not be permitted to class if their parent has not attended.
- ⇒ **If you are interested in volunteering**, please make sure you have completed a background check in the office. This includes those interested in chaperoning for field trips. Background checks must be done 2 weeks in advance, and are good for two years.

Parent Advisory Board

Do you want to be a more-involved parent at WGLCS? Do you have great ideas and want to share them with school leadership and other parents? Are you interested in helping make WGLCS a great place to learn? If so, please attend (and/or join) our Parent Advisory Board. **Our next meeting is Thursday, December 15th at 4:30pm here at WGLCS.** There will be a brief overview of what the PAB does and how to join at each of the parent workshops this week. See Ms. Downs-Burnett, Family Coordinator, for more information.
