## **BRONX LIGHTHOUSE RECEIVES CHARTER RENEWAL**

March 11, 2014: We are pleased to announce that our charter has been renewed.

Bronx Lighthouse Charter School opened in 2004 with 128 scholars in grades K through 2. This will be the third charter term. Today, the school serves approximately 675 scholars in grades K through 11. In Fall 2012, we opened a new 30,000 square foot state-of-the-art facility adjacent to the existing facility on Intervale Avenue in order to provide the necessary instructional space needed for the College Preparatory Academy (CPA, grades 9-12) to fulfill the promise of preparing its scholars for success in college and beyond.

During this next charter term, we will add one grade next year and become a full K-12 school. We will continue to prepare our scholars for college every day through rigorous academics, social and emotional development and arts infusion. We look forward to our first graduating class next year (2015) with all scholars graduating and being accepted to college. We will continue to involve our parents and work with the community. All of our staff is committed to doing whatever it takes every day.

**Challenge + Arts Infusion = Transformative Opportunities**
