Dear Families,

New York City Parent Surveys are due on Thursday, April 5th. To date, we only have 7% parent responses. This is way too few! Your voice counts! Completing the parent survey is the single greatest way that you can contribute positively to our NYC DOE Progress Report grade. There are two ways that you can take the survey:

- Complete the paper survey that was sent home with your scholar. Return the acknowledgement to school to be entered into the raffle for a 32 inch television.
- Complete the survey online. You can do this at home, or here in the school during arrival and dismissal. In addition, next week you will be able to take the survey during parent teacher conferences, so make extra time to take it.

Time is running out for you to show your commitment to BLCS and contribute to our Progress Report grade. If you have already returned the survey, THANK YOU!

Please read below for important announcements:

- **Parent Teacher Conferences** - Mark your calendars for 3rd quarter parent teacher conferences. They will be held on Wednesday, April 4th and Thursday, April 5th. Please return the appointment card to your child's teacher as soon as possible.
- **New York State Tests are only 6 days away!** New York State Assessments occur immediately after spring break this year. The ELA test will be administered April 17 -19 and the Math Test will be April 25-27. Students cannot be absent on testing days. Please plan your return from spring break with enough time that there is no risk to students being absent.

Shine On!
