

Bronx Lighthouse Charter School

Lower Academy Principal's Newsletter

May 9, 2012

Dear Families,

This week is Teacher Appreciation Week. Take some time this week to consider ways to thank your scholar's teacher for their hard work and dedication. Here are some ideas for ways to appreciate a teacher:

- As a parent, personally write a thank-you note to teachers to express your gratitude for all he/she has done.
- Have your scholar create a card or poster of thanks for the teacher.
- To include art in the project, your scholar can color and cut flowers out of paper, then write a word of thanks on each flower. Help your scholar come up with words that compliment and best describe his teacher

Make sure to thank a teacher, past or present, this week!

Read below for the following important announcements:

- **NWEA Testing** – NWEA testing will begin for grades K-5 on Monday, May 14th. This test is just as important as the state test. We use this test to monitor a scholar's growth over the course of the year.
- **Important Dates Coming Soon** – It is the time of year where many events are being planned. We will inform you of those dates as items are scheduled. The first date to mark is **Field Day**, which will take place on **Monday, June 25th**.

Shine On!

Meghan Kimpton
Lower Academy Principal

We prepare our students for college through a rigorous arts-infused program.
