

Bronx Lighthouse Charter School

Lower Academy Principal's Newsletter

September 21, 2011

Dear Families,

As I walk through classrooms, I see a lot of learning! Your scholars work hard every day. You can help your scholar by making sure that he or she gets a good night's sleep. Scholars that are age 5-12 should get 10-11 hours of sleep every night. That can be difficult with busy schedules. Try getting your scholar to bed 30 minutes earlier. It will make a big difference for your scholar next day in school.

Please read below for important announcements:

- **Lunch Forms** - Please turn your lunch form in to your child's teacher or Ms. Grant in the main office as soon as possible.
- **No School Friday, September 30th** - There is no school for students on Friday for teacher training.
- **Uniform Reminder** - As of today, September 21, shorts are no longer allowed at school. Thank you for your continued cooperation in our high uniform compliance!

Shine On!
