

Bronx Lighthouse Charter School

Upper Academy Principal's Welcome Letter

September 8th, 2011

Dear Parents and Guardians,

“Don't live down to expectations. Go out there and do something remarkable.”

Wendy Wasserstein

I am seeing great things this year. Most scholars are in the correct uniform and are coming to school on time. If you have not done so already, please place an order for PE uniform and the BLCS shirts with the logo through Ms. Valentine. Other shirts are not acceptable.

School starts at 8:00. That means that scholars should be here no later than 7:55. When we say 8:00, it means that scholars should be in their class at 8:00 ready to learn.

This year we are asking scholars to think and act in a manner that reflects who we are as a school. We are setting high and great expectations for academics and behavior. It is absolutely necessary for scholars to come prepared to learn and to be quiet, engaged in learning, ask and answer questions and move their eyes with the speaker. It is even more important for scholars to follow directions given at all times. We are asking scholars to be diligent about the work that they do here and at home. Please support us by emphasizing that school is their only job and they must do it well.

Important documents

- Emergency contact form
- Lunch forms-(even if you don't qualify)

Important dates

- September 14th, 2011 -**Mandatory** Back to School Night

Shine On!

Mathias Guishard
Upper Academy Principal

All uniform shirts must have the required logo by September 28th. After that scholars will be suspended from school. Patches are NOT acceptable. All back shoes or sneakers must be worn.
