

Bronx Lighthouse Charter School

Upper Academy Principal's Letter

September 22th, 2011

Dear Parents and Guardians,

“Don't live down to expectations. Go out there and do something remarkable.”

Wendy Wasserstein

This week we are launching our homework site. Please check Whatsthehomework.com daily. This site allows you to see your child's homework by teacher and class. Teachers will be updating homework assignments daily and weekly.

We will be starting a mandatory homework help program for a select number of scholars. If your scholar is selected it means that the homework assignments are missing consistently and that could potentially hurt your child's grades. Please help us and support scholars staying after school.

Every Wednesday or Friday, scholars will participate in a Town Hall. During Town Hall scholars will be participating in a series of character education workshops, study skills and college information sessions.

Get involved. We need you to get involved. You can volunteer in the lunchroom, in the classroom and in the hallway. Let your scholar see that school is important to you. All parents who want to volunteer must be screened first. Please contact Ms. Valentine for more information.

Important documents

- Emergency contact form
- Lunch forms-(even if you don't qualify)
- Up to date health records

Important date

- September 30th, 2011- professional Development Day- School is closed

Shine On!

Mathias Guishard
Upper Academy Principal
