

Bronx Lighthouse Charter School

November 17, 2011

Dear Upper Academy Parents,

We are excited to see you today and tomorrow at Parent Teacher Conferences!

While at the school for your conference(s), please be sure to pick up information about our online self-service parent resources, whatsthehomework.com, the website where teachers post the homework each night, and the new PowerSchool [Parent Portal](#), a website through which you can access your student's grades any time.

Ms. Keyock will be on-hand during Parent Teacher Conferences to demonstrate how to use these resources at home, so please be sure to stop by and learn more.

During Parent Teacher Conferences we will also be sharing after school tutoring assignments for students in need of additional support in core academic subjects. If your student is assigned to after school tutoring, please be sure to complete their permission form before leaving from your conference.

8th Grade Parents → Don't forget to look out for your first Weekly Parent Update Packet! This Friday, you will receive a packet including a weekly progress report, copies of graded work from the week, and a report of any behavior referrals your student received for the week. The packet will be sent to you the way you asked us to send it (email, pick-up, or sent home with your student). Please review the packet with your student as soon as possible on Friday and spend time talking with them about their performance over the week. If you do not receive a packet, please be sure to contact Ms. Rony (646) 915-0025 first thing Monday morning.

Shine On!
