

Jacksonville Lighthouse Charter School

JACKSONVILLE LIGHTHOUSE RECEIVES CHARTER RENEWAL

February 19, 2014: We are pleased to announce that our charter has been renewed for another three years.

Jacksonville Lighthouse Charter School opened in 2009 for 344 scholars in grades K-6. Today we serve more than 800 scholars in grades K-10. We opened the Flightline Upper Academy campus on Little Rock Air Force Base for grades 5-8 in 2011. We have added a brand new, state of the art additional building on the main campus to house our College Prep Academy (high school, grades 9-12).

During this next charter term, will continue to add one grade for the next two years until we become a full K-12 school. We will continue to prepare our scholars for college every day through rigorous academics, social and emotional development and arts infusion. We look forward to our first graduating class in 2016 with all scholars graduating and being accepted to college. We will continue to involve our parents and work with the community. All of our staff is committed to doing whatever it takes every day.

Challenge + Arts Infusion = Transformative Opportunities
