Message from Mr. Whitfield, Lead Principal

This has been a year of growth

Each year we grow as a school and get closer to our mission of preparing scholars for college. As you know we added many new programs and activities this school year. From our band program to sports programs and even building our high school. We know that with growth comes change and change is not always smooth or easy. I want to thank all of our parents for working with the teachers and the administration this year as

we've grown to meet the needs our scholars!

Important End of the year dates and activities!

- **May 13th-June 7th-NWEA Testing**
- **May 31st-Grades 1-4 Field trips**
- **June 5th K Field trip**
- **June 6 K graduation and Lower Academy Field Day**
- **June 7 Upper Academy Field Day**
- **June 11 grades 1-6 Awards Assembly 1:30 pm**

Summer Sessions

We will have summer school at JLCS this year. It is currently planned to start July 8th and run through July 19th.

Scholars will be selected for summer school based on their performance on the ACTAAP, ITBS, and teacher referrals. Slots for summer school will be limited and it is imperative that if your scholar is chosen for summer sessions that they return the enrollment form so that they can attend.

Enrollment forms will be sent home the first week of June.

Spotlight on Resources....Amber Bailey

Hi, Parents,

At JLCS, we believe it is not how you start, but how you finish. We have many wonderful opportunities coming up the next few weeks for your scholars to celebrate and conclude the year strong. Please check your class newsletters closely for specific information regarding class field trips, awards ceremonies, field days, and celebrations.

Before the festivities can begin, we have to show how hard we have worked this year by doing our best on the Spring NWEA, final TLIs and Writing Assessments. Scholars will start the NWEA assessment on Monday, May 13 and it will continue until Friday June 7th. Again, please check your class newsletter for specific dates and times. We want everyone to be as

successful as possible, so please help us by monitoring bed times, breakfasts, and attitudes.

Thank you for your support!

K-5 Shining Stars
