Message from Mr. Whitfield, Lead Principal

Module 2 TLI

On November 4th our scholars took module 2 of the TLI exam. We experienced a marked increase in scores. Please remember that TLI test are very important benchmarks for how your scholar will perform on the end of the year ACTAAP. We need to make sure all scholars are present on TLI testing days. Thank you for your support and congratulate your scholar on their TLI performance!

Game on!

The JLCS wolves 7th-8th grade boys and girls basketball team will kick off their regular season No-

vember 7th at 5:00 pm at Ridgeroad Middle School. We are very proud of the hardwork and effort our athletic scholars exhibit. We expect nothing less than excellence in the classroom and on the court. Please try to attend the game and support our JLCS Fighting Wolves basketball team.

Lost and Found

Fall is now in full swing. Now that the weather is starting to change, scholars are beginning to wear coats, sweatshirts, and jackets to school. Inevitably this means our lost and found is starting to pile up. Please ask your scholars to check lost and

found for lost jackets and coats. **We will donate any unclaimed items of clothing at the end of each month.**

Spirit Dress in on Fridays

There will be several times this year when we will be out of school on Fridays for various reasons. Please know that JLCS spirit and jeans days are only observed on Fridays. If we are out of school on a Friday, spirit dress will not be observed on that Thursday. Spirit dress and jeans will only be allowed on Fridays that we are attending school.

Boosters Pizza Snack Day!

We will have another Pizza Day November 18th, 2011!!

Message from Ms. Kelly, UA/CPA Principal

TLI

I would like to thank all of our scholars for giving 100% on the TLI that was administered Thursday, November 3, 2011. I know the 8th graders will do great on the Algebra I TLI. Scholars will take this exam Monday, November 7, 2011.

Honor Roll Assembly

I would like to say thank you to all of the parents that attended the Honors

Assembly. I am very proud of the many scholars that received a certificate and look forward to many more scholars receiving a certificate next time.

Veteran's Day

School will be dismissed on Friday, November 11 due to Veteran's Day. Veterans Day is an Annual United States holiday honoring military veterans. It is a federal holiday that is observed on November 11. It is also celebrated as

Armistice Day or Remembrance Day in other parts of the world and falls on November 11, the anniversary of the signing of the Armistice that ended World War I.

Audra Popham

Spanish

Dylan Mitchell

Message from the Director of Instruction- Tom Kloske

Dear Parents/Guardians:

The testing for Module 2 is now complete. The TLI testing is one "tracking device" we use to gauge the importance of "Student Achievement" and how the teachers can best assist in addressing those weaker areas. They need your help. If and when your child finds out those SLE's (Student Learning Expectations) that he or she is weak in, please allow them

to practice those skills on the IXL website Math program. Again, they get instant feedback whether they got the answer correct or not. It is an excellent way for them to grow, understand, and become Proficient in Math. We should have the results posted soon and as always, if your child gets 80% or higher, he or she names' will appear on our "TLI Wall of Fame."

This is truly the most growing time intellectually that your child will have, so please encourage them to read, read, read, and do ALL their homework so that they can one day be prepared to not only enter, but graduate from college, and this will be a proud moment for you!
